

THE CALL OF THE CHIEF CORNERSTONE

Isaiah 28:16

The prophet Isaiah was an extraordinary prophet in that he spoke of God coming as a man like no other prophet. Isaiah identifies the identity of Jesus Christ and the True Church with Hebraic and divine accuracy ever known to human theology.

Thus, all faith and all human organized belief systems must have their origins in the prophetic teachings of the scriptures! For example: (VS.16)

- 1) The foundation of your calling is in the purpose, values and character of Jesus Christ.
- 2) Jesus is the cornerstone Isaiah is speaking about.
- 3) The apostles and Isaiah warn us that organized religion itself will seek to dilute and pollute your calling. 1 Peter 2:6-9

(VS 7) The build us disallowed means

- 1) Both Jewish and Gentile Christianity will reject ministries requiring sufferings like Jesus suffered!
- 2) They will reject the teachings of the speaking with tongues. (VS 8)
- 3) The builders will reject sanctification living (VS 9-12)
- 4) The builders will reject the prophecies that Jesus Christ the chief cornerstone was God manifested in flesh. John 10:30,33, John 5:18, John 14:8-9
- 5) The builders stumbled and rejected the call to take this cornerstone to the entire world.

THE CALL OF THE CHIEF CORNERSTONE JESUS CHRIST IS ON YOUR LIFE TODAY!

- 1) The call the anointing and power has been given to you to go into the highways and byways to all men telling them they must be born again of water and spirit to enter the Kingdom of Heaven.
 - A.) Repentance
 - B.) Water baptism in Jesus name
 - C.) Receiving the Holy Ghost and speaking with tongues
- 2) To clearly teach the identity and purpose of Jesus Christ as God manifested in His own flesh and blood.
- 3) To tell all men Jesus has caused you to suffer with Him as an honor for Him.
- 4) That the true King in all the earth is Jesus Christ who holds all power over death, sickness and demons.
- 5) That He is soon to return to set-up His kingdom on earth to judge sin and wickedness.
- 6) That He seeks to release His miracles in the earth to those who believe.
